II. What do you need to do by November 20th, 2020?

☐ If you need to make changes to your Medical, Dental, Vision or enroll/change in your Flexible spending (BPAS is the flex spending administrator) please follow these instructions:

 - USER ID: First 4 characters of last name + Last 4 digits of SSN
 - PASSWORD: same as user id

Eligibility

All active City of Everett Police employees who work a minimum of 30 hours per week are eligible for the benefits outlined in this guide on the 1st of the month following date of hire.

In order to comply with the Affordable Care Act (ACA), the City of Everett determines full-time eligibility for benefits based on the Look Back Measurement Method. Refer to the Look Back Measurement Method section of this guide for additional information on how full-time eligibility is determined.

MAKING CHANGES

Your benefit elections remain in effect until the end of the Plan Year (January 1 through December 31). Only the occurrence of a qualifying life event (birth, marriage, adoption, etc.) will allow you to make changes to your benefit elections. Please contact the Benefits Coordinator within 30 days to report a family status change or life event or if you have questions on what qualifies as a family status change. If you are not enrolled at the time you experience a change in family status or life event and you gain a new dependent, you may be able to enroll within 60 calendar days under HIPAA rules.

DEPENDENTS

Some plan benefits offer coverage for your dependents. Eligible dependents include:

- Your dependent children up to age 26
- Your disabled children of any age
- Your spouse
- Your qualified domestic partner
(of same or opposite gender)

If you have a domestic partner (of same or opposite gender), he or she is eligible to enroll as a dependent on your benefits plan. You must live together and meet all criteria outlined in the domestic partner definition in the affidavit. Employee premium contributions for domestic partners must be deducted on a post-tax basis. Premium contributions paid by the City of Everett on behalf of the domestic partner will be treated as imputed income for the employee. Please contact the Benefits Coordinator for more information on the application process.

Medicare Part D Notice: If you (and/or your dependents) have Medicare or will become eligible for Medicare in the next 12 months, a federal law gives you more choices about your prescription drug coverage. Legal Notices are located in the back of the booklet for reference.

Medical Coverage

Nothing is more important than the health of you and your family. Our benefit plans promote coverages to help you live a healthier life. As an eligible employee, you may choose to enroll in one of the two medical plans offered. Compare the options carefully and choose the one that is the best for you and your family.

HMA PPO

The City of Everett PPO Plan, administered by Healthcare Management Administrators (HMA), pays 90% in-network and 60% out-of-network for most covered services after the \$300 individual (\$600 per family) deductible has been met. It also includes 100% coverage for preventive care to which no deductible applies. Your out-of-pocket maximum is \$750 individual (\$1,500 per family) for in-network coverage.

Certain out-of-network charges in excess of the plan allowable amounts do not count toward these limits and you may be responsible for additional out of pocket expenses.

ABOUT NETWORK PROVIDERS

In-network care: When you seek medical services from a network provider, you receive a higher level of benefit. This means when you use network providers, you substantially reduce the amount both you and the City of Everett pay for medical services. One of the advantages of an in-network provider is that you usually do not need to file claim forms. Show your ID card to a preferred provider, and the provider will use the information on the card to submit the claim on your behalf.

Out-of-Network Care: You may choose to receive care from a provider that is not a part of the network, that is, an out-of-network provider, but you receive a lower level of coverage. Your benefit coverage is based on an allowable amount determined by the plan to be reasonable for services provided. You are responsible for any amounts above the allowed amount and they will not be credited toward the deductible and out of pocket limits. You may also be required to file your own claims. You should confirm coverage with out-of-network providers prior to receiving services as you may find you have no coverage at all.

KAISER CORE HMO

The City of Everett CORE HMO Plan, administered by Kaiser Permanente pays 100% after a copay for most in-network covered services. This plan has no deductible and your out-of-pocket maximum is \$1,000 individual (\$2,000 per family). Your care must be managed from the list of Kaiser Permanente Network Providers. There is no coverage for providers outside of the Kaiser Permanente Network.

CHOOSE THE COVERAGE THAT IS BEST FOR YOU AND YOUR FAMILY.

All of these plans have an annual out-of-pocket maximum for qualified expenses. If you should reach this maximum, your costs will be capped. Certain expenses, such as an out-of-network charge that exceeds the plan's allowable amount do not count toward the deductible or out-of-pocket maximum and you will continue to be responsible for those expenses.

Prescription Drug Benefit Plans

We know that prescription drug coverage is important to you and your family. If you are enrolled in a medical plan, you will automatically receive prescription coverage. Using an in-network pharmacy will save you money. When you use an out-of-network pharmacy, you may be charged amounts over the allowed charges. The mail order option allows you to buy qualified prescriptions in larger 90-day quantities.

Note: Certain prescriptions may require preauthorization, step therapy (where the plan requires that certain prescriptions are tried before others), or have dispensing limits. Specialty prescriptions (e.g., injectibles) may need to be purchased from a specific provider. Confirm that your pharmacy is in-network before making your purchase.

MORE WAYS TO SAVE ON PRESCRIPTION DRUGS ON YOUR HMA PLAN

FREE PRESCRIPTIONS

Did you know that some of your prescriptions are covered for free? Under the Affordable Care Act, some preventive prescriptions, may be covered in full. In addition, any generic prescription dispensed at the Vera clinic is free.

MAINTENANCE PRESCRIPTIONS

If you take long-term, maintenance medications, you can now get a 90-day supply at any CVS pharmacy (i.e. Target pharmacy) instead of filling your prescriptions every 30 days.

Alternative Facilities

If you have a life-threatening medical emergency, your first concern is getting help as soon as possible. But if you have more time to evaluate your options, you may be able to save by shopping around. Alternative facilities can provide the same results as a hospital at a fraction of the cost.

HOW TO FIND AN ALTERNATIVE TREATMENT FACILITY

If your treatment involves a visit to a hospital operating room or clinic, ask your doctor if you can get the same medical care somewhere else. If you are doing your own research, start with your plan's "find a provider" link to search for surgical centers, physical therapy, and more. Or call your plan's member services for assistance. Finding an in-network facility ensures you get the plan's negotiated rates.

COST AND QUALITY DATA

In addition to your health plan website, online tools such as [healthcarebluebook.com](https://www.healthcarebluebook.com) and [healthgrades.com](https://www.healthgrades.com) help you compare procedure costs and doctor quality ratings to help you make decisions about your healthcare.

SURGERY: Consider an Ambulatory Surgery Center (ASC)

An ASC is a healthcare facility that specializes in same-day surgical procedures such as cataracts, colonoscopies, upper GI endoscopy, orthopedic surgery, and more. ASCs are held to the same types of patient safety standards as hospitals. ASC prices can be as much as 50% lower than hospital outpatient charges for the same procedure.

SLEEP STUDY: There's no place like home

If you have a condition like sleep apnea, your doctor may recommend a sleep study. The cost is often covered by insurance if the test is considered medically necessary. Overnight tests in a sleep center may cost up to \$5,000 per night; however, a home test often costs less than \$500.

PHYSICAL THERAPY: Stay free standing

Physical therapy (PT) can be an important part of recovery after an injury or surgery. On average, PT in a free standing center can cost 40 to 60% less than PT delivered in a hospital setting.

HOME INFUSION THERAPY: Avoid a costly hospital stay

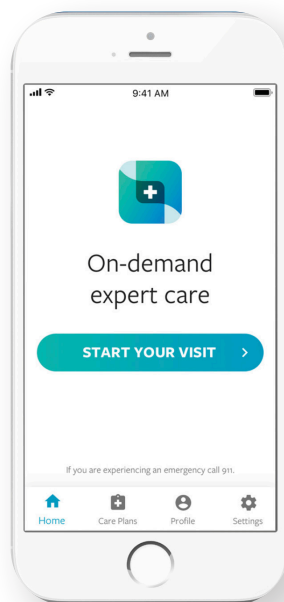

Infusion therapy may be prescribed when a patient must receive intravenous drugs, injections, or epidurals instead of oral medications. Treatment by a licensed infusion therapy provider at home or at an outpatient center can be safe and effective. Avoiding a hospital stay can provide savings of up to 90%, and also helps maintain a normal lifestyle in the comfort of home.

No Cost Access to Care

Asserta Health

(HMA PARTICIPANTS ONLY)

PLANNING SURGERY? HAVING A BABY? LOOKING TO SAVE MONEY AND ELIMINATE BILLS?

Asserta can help with understanding your benefits and facilitate the selection of a high-value, high-quality provider. Asserta also offers assistance with appointment scheduling and pre-certification. Already have a provider selected? No problem! Asserta can still work to negotiate a reduced cost share for the procedure on your behalf. **Best of all, members who participate in the Asserta program will pay no out-of-pocket costs. Procedures include orthopedics (including spinal procedures), general surgery and high cost diagnostic procedures, among others.**

LOWER YOUR COSTS

This cash-pay program is an optional benefit provided by the City of Everett to lower your out of pocket cost and reduce surprise bills by paying cash prices in advance. Asserta works with you to understand the procedure or service you need and help you understand that price in advance. When you choose a high value option, the City of Everett shares a portion of the savings with you to lower your out of pocket costs. It's not easy to be an informed and engaged consumer in healthcare. Asserta will be there to guide you!

HOW DOES IT WORK?

- You will need to agree to register as a SELF-PAY patient using the pre-paid voucher they send to you.
- You will need to agree to NOT provide your health insurance, OR ask the provider to REMOVE any insurance information you have provided in the past.
- You will need to agree to pay your out of pocket responsibility, if any, directly to them at least 2 business days before your procedure payment is due.
- Please understand that you may still receive bills after the procedure or service. Asserta will tell you which providers they are paying and when they are making those payments.
- You will need to send any bills you receive to Asserta immediately so they can help you resolve them. Delay in sending bills in can result in additional out-of-pocket costs.

Protecting your personal health information is very important. You will need to complete a HIPAA Authorization form that will be supplied by Asserta that will allow Asserta to contact your doctor and request the medical information they need to get started.

Asserta will email you step by step instructions on how to submit your documents.

Flexible Spending Account (FSA)

A Flexible Spending Account lets you set aside money—before it's taxed—through payroll deductions. The money can be used for eligible healthcare and dependent day care expenses you and your family expect to have over the next year. The main benefit of using an FSA is that you reduce your taxable income, which means you have more money to spend. The catch is that you have to use the money in your account by our plan year's end. Otherwise, that money is lost, so plan carefully. You must re-enroll in this program each year. BPAS administers this program.

IMPORTANT CONSIDERATIONS

- Expenses must be incurred between 01/01/2021 and 03/15/2022 and submitted for reimbursement no later than 03/31/2022.
- Elections cannot be changed during the plan year, unless you have a qualified change in family status (and the election change must be consistent with the event).
- Unused amounts will be lost at the end of the plan year, so it is very important that you plan carefully before making your election.
- FSA funds can be used for you, your spouse, and your tax dependents only.
- You can obtain reimbursement for eligible expenses incurred by your spouse or tax dependent children, even if they are not covered on the City of Everett health plan.
- You cannot obtain reimbursement for eligible expenses for a domestic partner or their children, unless they qualify as your tax dependents (Important: questions about the tax status of your dependents should be addressed with your tax advisor).
- Keep your receipts. In most cases, you'll need to provide proof that your expenses were considered eligible for IRS purposes.
- For more information, please visit bpas.com.

HEALTHCARE FSA

This plan allows you to pay for eligible out-of-pocket healthcare expenses with pre-tax dollars. Eligible expenses include medical, dental, or vision costs including plan deductibles, copays, coinsurance amounts, and other non-covered healthcare costs for you and your tax dependents. You may access your entire annual election from the first day of the plan year and you can set aside up to \$2,750.

DEPENDENT CARE FSA

This plan allows you to pay for eligible out-of-pocket dependent care expenses with pre-tax dollars. Eligible expenses may include daycare centers, in-home child care, and before or after school care for your dependent children under age 13. Other individuals may qualify if they are considered your tax dependent and are incapable of self-care. It is important to note that you can access money only after it is placed into your dependent care FSA account.

All caregivers must have a tax ID or Social Security number. This information must be included on your federal tax return. If you use the dependent care reimbursement account, the IRS will not allow you to claim a dependent care credit for reimbursed expenses. Consult your tax advisor to determine whether you should enroll in this plan. You can set aside up to \$5,000 per household for eligible dependent care expenses for the year.

BPAS CLAIM FINDER

BPAS Claim Finder is a secure portal that gathers your Explanation of Benefits (EOBs) from your medical, dental, and vision carriers. It automatically sends your EOBs to BPAS for processing under your BPAS FSA, HRA, or VEBA HRA.

Claims documentation can be difficult to understand and time-consuming to submit all the necessary information. With a quick registration process, BPAS ClaimFinder will automatically connect with your insurance carriers daily to find any new EOBs and substantiate the expense on your behalf any time you pay with your benefit debit card.

To register for a ClaimFinder account login to your insurance carrier websites and retrieve your respective credentials for each one (user ID/password). Watch your email for a message from easyenrollment with "ClaimFinder" as the subject line. Open the email and follow the link to complete the online registration steps.

When you open the email link, only the City of Everett's participating insurance carriers will show. Just click on each and add the respective credentials. You may also use the search feature to find other carriers.

You may add information to BPAS ClaimFinder so your dependent claims data will also be retrieved. Just use the search feature to find their carrier(s) and follow the steps above to add the credentials.

SIGNING UP FOR BPAS CLAIMFINDER IS EASY

1. Set up your online credentials with your insurance providers. You will need these sign-in credentials at your fingertips (user ID, password) for you and any dependents in order to start the process.
2. Open the email from ClaimFinder and complete the online registration steps.
3. BPAS takes care of the rest. Every time a carrier issues an Explanation of Benefits (EOB), BPAS will retrieve the information automatically.

Dental Benefit Plans

Regular visits to your dentists can help more than protect your smile, they can help protect your health. Recent studies have linked gum disease to damage elsewhere in the body and dentists are able to screen for oral symptoms of many other diseases including cancer, diabetes and heart disease. City of Everett provides you with comprehensive coverage options through Delta Dental of Washington and Willamette Dental.

PROVIDER CHOICE

Delta Dental Members: You may seek care from any licensed provider. If you visit a PPO or Premier dentist, you will have access to the lowest out-of-pocket costs. If you visit an out-of-network dentist, you may be responsible for additional costs if the provider's charges exceed the plan's usual and customary levels.

Willamette Dental Members: Treatment must be done by a Willamette Dental Group dentist at a Willamette Dental Group practice. If you are currently seeing a private practice dentist, you will need to establish care with a Willamette Dental Group dentist to take advantage of your benefits.

Pre-Treatment Estimate: If your dental work will be extensive, you should have your dentist submit the proposed treatment plan to the insurance company before you begin treatment. The insurance company will provide you with a summary of the plan's coverage and your estimated out-of-pocket costs.

Look-Back Measurement

City of Everett uses the look-back measurement method to determine medical plan eligibility.

NEW EMPLOYEES

New employees hired to work a variable hour or seasonal schedule. If you are hired into a position where your hours vary and City of Everett is unable to determine — as of your date of hire — whether you will be a full-time employee (work on average 130 or more hours a month), or you are hired as a seasonal employee who will work for six (6) consecutive months or less (regardless of monthly hours worked), you will be placed in an initial measurement period (IMP) of 12 months to determine whether you are a full-time employee, eligible for coverage under the terms of the plan.

Your 12-month IMP will begin on the first of the month following your date of hire and will last for 12 months. If, during your IMP, you average 30 or more hours a week over that 12 month period, you will be offered coverage by the first of the second month after your IMP ends. Your coverage will remain in effect during an associated stability period that will last 12 months from the date coverage is offered. If your employment is terminated during that stability period, you will be offered continued coverage under COBRA.

ONGOING EMPLOYEES

An ongoing employee is an individual who has been employed for an entire standard measurement period. A standard measurement period is the 12-month period of time over which City of Everett counts employee hours to determine which employees work full-time. An employee is deemed full-time if he or she averages 130 or more hours a month over the 12-month standard measurement period. Those employees who average 130 or more hours a month over the 12-month standard measurement period will be offered coverage as of the first day of the stability period associated with the standard measurement period. Coverage will be in effect for a 12-month stability period. If your employment is terminated during a stability period, you will be offered continued coverage under COBRA.

2021 Annual Legal Notices

MEDICARE PART D NOTICE

Important Notice from City of Everett About Your Prescription Drug Coverage and Medicare

Please read this notice carefully and keep it where you can find it. This notice has information about your current prescription drug coverage with City of Everett and about your options under Medicare's prescription drug coverage. This information can help you decide whether or not you want to join a Medicare drug plan. If you are considering joining, you should compare your current coverage, including which drugs are covered at what cost, with the coverage and costs of the plans offering Medicare prescription drug coverage in your area. Information about where you can get help to make decisions about your prescription drug coverage is at the end of this notice.

There are two important things you need to know about your current coverage and Medicare's prescription drug coverage:

1. Medicare prescription drug coverage became available in 2006 to everyone with Medicare. You can get this coverage if you join a Medicare Prescription Drug Plan or join a Medicare Advantage Plan (like an HMO or PPO) that offers prescription drug coverage. All Medicare drug plans provide at least a standard level of coverage set by Medicare. Some plans may also offer more coverage for a higher monthly premium.
2. City of Everett has determined that the prescription drug coverage offered by the City of Everett Employee Health Benefit Plan is, on average for all plan participants, expected to pay out as much as standard Medicare prescription drug coverage pays and is therefore considered Creditable Coverage. Because your existing coverage is Creditable Coverage, you can keep this coverage and not pay a higher premium (a penalty) if you later decide to join a Medicare drug plan.

WHEN CAN YOU JOIN A MEDICARE DRUG PLAN?

You can join a Medicare drug plan when you first become eligible for Medicare and each year from October 15th to December 7th.

However, if you lose your current creditable prescription drug coverage, through no fault of your own, you will also be eligible for a two (2) month Special Enrollment Period (SEP) to join a Medicare drug plan.

WHAT HAPPENS TO YOUR CURRENT COVERAGE IF YOU DECIDE TO JOIN A MEDICARE DRUG PLAN?

If you decide to join a Medicare drug plan, your City of Everett coverage will not be affected. See below for more information about what happens to your current coverage if you join a Medicare drug plan.

Since the existing prescription drug coverage under City of Everett Employee Health Benefit Plan is creditable (e.g., as good as Medicare coverage), you can retain your existing prescription drug coverage and choose not to enroll in a Part D plan; or you can enroll in a Part D plan as a supplement to, or in lieu of, your existing prescription drug coverage.

If you do decide to join a Medicare drug plan and drop your City of Everett prescription drug coverage, be aware that you and your dependents can only get this coverage back at open enrollment or if you experience an event that gives rise to a HIPAA Special Enrollment Right.

CMS Form 10182-CC Updated April 1, 2011 According to the Paperwork Reduction Act of 1995, no persons are required to respond to a collection of information unless it displays a valid OMB control number. The valid OMB control number for this information collection is 0938-0990. The time required to complete this information collection is estimated to average 8 hours per response initially, including the time to review instructions, search existing data resources, gather the data needed, and complete and review the information collection. WHEN WILL YOU PAY A HIGHER PREMIUM (PENALTY) TO JOIN A MEDICARE DRUG PLAN?

You should also know that if you drop or lose your current coverage with City of Everett and don't join a Medicare drug plan within 63 continuous days after your current coverage ends, you may pay a higher premium (a penalty) to join a Medicare drug plan later.

If you go 63 continuous days or longer without creditable prescription drug coverage, your monthly premium may go up by at least 1% of the Medicare base beneficiary premium per month for every month that you did not have that coverage. For example, if you go nineteen months without creditable coverage, your premium may consistently be at least 19% higher than the Medicare base beneficiary premium. You may have to pay this higher premium (a penalty) as long as you have Medicare prescription drug coverage. In addition, you may have to wait until the following October to join.

FOR MORE INFORMATION ABOUT THIS NOTICE OR YOUR CURRENT PRESCRIPTION DRUG COVERAGE...

Contact the person listed below for further information. NOTE: You'll get this notice each year. You will also get it before the next period you can join a Medicare drug plan, and if this coverage through City of Everett changes. You also may request a copy of this notice at any time.

FOR MORE INFORMATION ABOUT YOUR OPTIONS UNDER MEDICARE PRESCRIPTION DRUG COVERAGE...

More detailed information about Medicare plans that offer prescription drug coverage is in the "Medicare & You" handbook. You'll get a copy of the handbook in the mail every year from Medicare. You may also be contacted directly by Medicare drug plans.

Remember: Keep this Creditable Coverage notice. If you decide to join one of the Medicare drug plans, you may be required to provide a copy of this notice when you join to show whether or not you have maintained creditable coverage and, therefore, whether or not you are required to pay a higher premium (a penalty).

WOMEN'S HEALTH AND CANCER RIGHTS ACT

If you have had or are going to have a mastectomy, you may be entitled to certain benefits under the Women's Health and Cancer Rights Act of 1998 (WHCRA). For individuals receiving mastectomy-related benefits, coverage will be provided in a manner determined in consultation with the attending physician and the patient, for:

- All stages of reconstruction of the breast on which the mastectomy was performed;
- Surgery and reconstruction of the other breast to produce a symmetrical appearance;
- Prostheses; and
- Treatment of physical complications of the mastectomy, including lymphedema.

These benefits will be provided subject to the same deductibles and coinsurance applicable to other medical and surgical benefits provided under this plan. Therefore, the following deductibles and coinsurance apply: \$300 deductible; 90% coinsurance (in-network). If you would like more information on WHCRA benefits, call your plan administrator (425) 257-7035.

NEWBORNS' AND MOTHERS' HEALTH PROTECTION ACT

Group health plans and health insurance issuers generally may not, under Federal law, restrict benefits for any hospital length of stay in connection with childbirth for the mother or newborn child to less than 48 hours following a vaginal delivery, or less than 96 hours following a cesarean section. However, Federal law generally does not prohibit the mother's or newborn's attending provider, after consulting with the mother, from discharging the mother or her newborn earlier than 48 hours (or 96 hours as applicable). In any case, plans and issuers may not, under Federal law, require that a provider obtain authorization from the plan or the insurance issuer for prescribing a length of stay not in excess of 48 hours (or 96 hours). If you would like more information on maternity benefits, call your plan administrator at (425) 257-7035

HIPAA NOTICE OF SPECIAL ENROLLMENT RIGHTS

If you decline enrollment in City of Everett's health plan for you or your dependents (including your spouse) because of other health insurance or group health plan coverage, you or your dependents may be able to enroll in City of Everett's health plan without waiting for the next open enrollment period if you:

- Lose other health insurance or group health plan coverage. You must request enrollment within 31 days after the loss of other coverage.

*Breach Notification: You have the right to receive notice of a breach of your unsecured PHI no later than 60 days after the incident.

- **Accounting of Disclosures:** You have the right to receive a list of instances in which we or our business associates disclosed your PHI for purposes other than for treatment, payment, health care operations, and certain other activities. You are entitled to such an accounting for the 6 years prior to your request, though not for disclosure made prior to September 12, 2013. We will provide you with the date on which we made a disclosure, the name of the person or entity to whom we disclosed your medical information, a description of the medical information we disclosed, the reason for the disclosure, and certain other information. If you request this list more than once in a 12-month period, we may charge you a reasonable fee for responding to these additional requests. We will act on your request no later than 30 days after receipt. We may extend the time for providing an accounting by no more than 30 days but we must provide you a written explanation for the delay.
- **Restriction Requests:** You have the right to request that we place additional restrictions on our use or disclosure of your PHI for treatment, payment, health care operations or to persons you identify. We are not required to agree to these additional restrictions, but if we do, we will abide by our agreement (except in an emergency or as required by law).
- **Confidential Communication:** You have the right to request in writing that we communicate with you in confidence about your PHI by alternative means or to an alternative location. If you advise us that disclosure of all or any part of your PHI could endanger you, we must comply with any reasonable request provided it specifies an alternative means or location of communication.
- **Electronic Notice:** If you receive this notice on our web site or by electronic mail (e-mail), you are entitled to receive this notice in written form. Please contact us using the information listed at the end of this notice to obtain this notice in written form.

CAN I "OPT OUT" OF CERTAIN DISCLOSURES?

You may have received notices from other organizations that allow you to "opt out" of certain disclosures. The most common type of disclosure that applies to "opt outs" is the disclosure of personal information to a non-affiliated company so that company can market its products or services to you. As a self-insured group health plan, we must follow many federal and state laws that prohibit us from making these types of disclosures. Because we do not make disclosures that apply to "opt outs," it is not necessary for you to complete an "opt out" form or take any action to restrict such disclosures.

WHAT IF THE PLAN CHANGES ITS NOTICE OF PRIVACY PRACTICES?

We reserve the right to change our privacy practices and the terms of this notice at any time. Any revised version of this notice will be distributed within 60 days of the effective date of any material change to the uses or disclosures, your individual rights, our duties or other privacy practices stated in this notice. You may request a copy at any time by contacting us at the number set forth below.

CONCLUSION

PHI use and disclosure by the Plan is regulated by a federal law known as HIPAA (the Health Insurance Portability and Accountability Act). You may find these rules at 45 Code of Federal Regulations Parts 160 and 164. This notice attempts to summarize the regulations. The regulations will supersede any discrepancy between the information in this notice and the regulations.

PREMIUM ASSISTANCE UNDER MEDICAID AND THE CHILDREN'S HEALTH INSURANCE PROGRAM (CHIP)

If you or your children are eligible for Medicaid or CHIP and you're eligible for health coverage from your employer, your state may have a premium assistance program that can help pay for coverage, using funds from their Medicaid or CHIP programs. If you or your children aren't eligible for Medicaid or CHIP, you won't be eligible for these premium assistance programs but you may be able to buy individual insurance coverage through the Health Insurance Marketplace. For more information, visit healthcare.gov.

If you or your dependents are already enrolled in Medicaid or CHIP and you live in a State listed below, contact your State Medicaid or CHIP office to find out if premium assistance is available.

If you or your dependents are NOT currently enrolled in Medicaid or CHIP, and you think you or any of your dependents might be eligible for either of these programs, contact your State Medicaid or CHIP office or dial 1-877-KIDS NOW or insurekidsnow.gov to find out how to apply. If you qualify, ask your state if it has a program that might help you pay the premiums for an employer-sponsored plan.

If you or your dependents are eligible for premium assistance under Medicaid or CHIP, as well as eligible under your employer plan, your employer must allow you to enroll in your employer plan if you aren't already enrolled. This is called a "special enrollment" opportunity, and you must request coverage within 60 days of being determined eligible for premium assistance. If you have questions about enrolling in your employer plan, contact the Department of Labor at askebsa.dol.gov or call 1-866-444-EBSA (3272).

If you live in one of the following states, you may be eligible for assistance paying your employer health plan premiums. The following list of states is current as of July 31, 2020. Contact your State for more information on eligibility –

NEW HEALTH INSURANCE MARKETPLACE COVERAGE OPTIONS

PART A: GENERAL INFORMATION

When key parts of the health care law take effect in 2014, there will be a new way to buy private individual health insurance: the Health Insurance Marketplace. To assist you as you evaluate options for you and your family, this notice provides some basic information about the new Marketplace and employment-based health coverage we offer to you. Please note that this notice is informational only.

WHAT IS THE HEALTH INSURANCE MARKETPLACE?

The Marketplace is designed to help you find private individual health insurance that meets your needs and fits your budget. The Marketplace offers "one-stop shopping" to find and compare private health insurance options. You may also be eligible for a new kind of tax credit that lowers your monthly premium right away. Open enrollment for health insurance coverage through the Marketplace begins in October 2013 for coverage starting as early as January 1, 2014.

CAN I SAVE MONEY ON MY HEALTH INSURANCE PREMIUMS IN THE MARKETPLACE?

You may qualify to save money and lower your monthly premium, but only if your employer does not offer coverage, or offers coverage that doesn't meet certain standards. The savings on your premium that you're eligible for depends on your household income.

DOES THE EMPLOYMENT-BASED HEALTH COVERAGE WE OFFER TO YOU AFFECT YOUR ELIGIBILITY FOR PREMIUM SAVINGS THROUGH THE MARKETPLACE?

Yes. If we have offered you health coverage that meets certain standards, you will not be eligible for a tax credit through the Marketplace and you may wish to enroll in our health plan, if you are eligible. (Just because you received this Marketplace notice does not mean you are eligible.) However, you may be eligible for a tax credit that lowers your monthly premium or a reduction in certain cost-sharing if we do not offer coverage to you at all or do not offer coverage that meets certain standards. If the cost of self-only coverage under our health plan is more than 9.5% of your household income for the year, or if our health plan does not meet the "minimum value"¹ standard set by the Affordable Care Act, you may be eligible for a tax credit.

Note: If you purchase a health plan through the Marketplace instead of accepting our health plan coverage, then you may lose our contribution (if any) to your coverage under our health plan. Also, our contribution—as well as your employee contribution—is often excluded from income for Federal and State income tax purposes. Your payments for coverage through the Marketplace are made on an after-tax basis.

HOW CAN I GET MORE INFORMATION ABOUT THE HEALTH INSURANCE MARKETPLACE?

The Marketplace can help you evaluate your coverage options, including your eligibility for coverage through the Marketplace and its cost. Please visit HealthCare.gov for more information, including an online application for health insurance coverage and contact information for a Health Insurance Marketplace in your area.

PART B: INFORMATION ABOUT EMPLOYER-PROVIDED HEALTH PLAN COVERAGE

If you decide to complete an application for coverage in the Marketplace, you will be asked for information about our health plan coverage. The information below can help you complete your application for coverage in the Marketplace.

1. General Employer Information.

In addition, if you are or will become eligible, you may be required to list the names of your dependents that are eligible for coverage under our health plan.

If you would like information about the eligibility requirements for our health plan, please read the eligibility provisions described in the Summary Plan Description for our health plan. You can obtain a copy of the Summary Plan Description by contacting Marcy Hammer at 425-257-7035.

3. **Minimum Value.** If you are eligible for coverage under our health plan, you may be required to check a box indicating whether or not our health plan meets the minimum value standard. Our health plan coverage meets the minimum value standard.
4. **Premium Cost.** If you are eligible for coverage under our health plan, you may be asked to provide the amount of premiums you must pay for self-only coverage under the lowest-cost health plan that meets the minimum value standard. If you had the opportunity to receive a premium discount for any tobacco cessation program, you must enter the premium you would pay if you received the maximum discount possible for a tobacco cessation program.

If you would like information about the premiums for self-only coverage under our lowest-cost health plan, please contact Marcy Hammer at 425-257-7035.

5. **Future Changes.** You may also be asked whether or not we will be making certain changes to our health plan coverage for the new plan year. As usual, you will be provided with information about any changes to our health plan coverage before the next City of Everett open enrollment period in the fall of each year during open enrollment. If you are not sure how to answer this question on your Marketplace application, please contact the Marketplace.

1 An employer-sponsored health plan meets the "minimum value standard" if the plan's share of the total allowed benefit costs covered by the plan is no less than 60 percent of such costs.
